iGEM 2015

What would you do if you could **program life**?

Join the MIT iGEM 2015 team and make it happen!

INFOSESSIONS

Thursday, Nov. 20th
8:00 PM
56-614

Thursday, Nov. 25th
8:00 PM
56-614

All majors and backgrounds welcome!
Send questions to igem-2015-applications@mit.edu
or visit http://tiny.cc/MITiGEM2015

MIT iGEM Team 2011:
Tissues by Design
Communication between engineered HEK
Notch senders and CHO Delta receivers

MIT iGEM Team 2012:
RNA Strand Displacement for
Sensing, information processing and
actuation in mammalian cells

MIT iGEM Team 2014:
A SynBio Approach to Alzheimer's
Gene circuits to sense and treat
Alzheimer's Disease
