Thanks so much for participating in the 5th Annual International Development Fair last Friday! Please take 5 minutes to let us know your comments, so we can improve for next year.

How would you describe your overall reaction to the Fair?

What did you like most about the Fair?

What would you suggest changing?

How can we improve the Fair registration process?

Was any group missing that we should include next year? You can see the list of participating groups on the website at <http://web.mit.edu/idn/all06.html>

Would you be interested in helping to plan next year's Fair?

Have you used the website <http://web.mit.edu/idn>? Do you have any improvements to suggest?

Please send your comments to me at susnowit@mit.edu this week; I'll compile them and share the results with the rest of the IDN Planning Team.

Many thanks,

Sally
