web.mit.edu/olh	warehouse
itinfo.mit.edu	logs on itinfo
is3down.mit.edu	warehouse

N of URLs contributing to topic

Web hits per topic

URLs delivered

n of unique urls   4791 *

** a small number of urls are user-entered
aliases of the same html page (such as
(//web.mit.edu/answer.php?id=128
and //web.mit.edu/answer?=128
and //web/answer?=128, etc.*

n of topic keywords   133 **

*** most of the many hundreds of itinfo
articles and answer pages have not
yet been characterized as to topic
for reporting here.
They are bulked into the "selfhelp"
topic, which tends to top the list.*
